Hi,

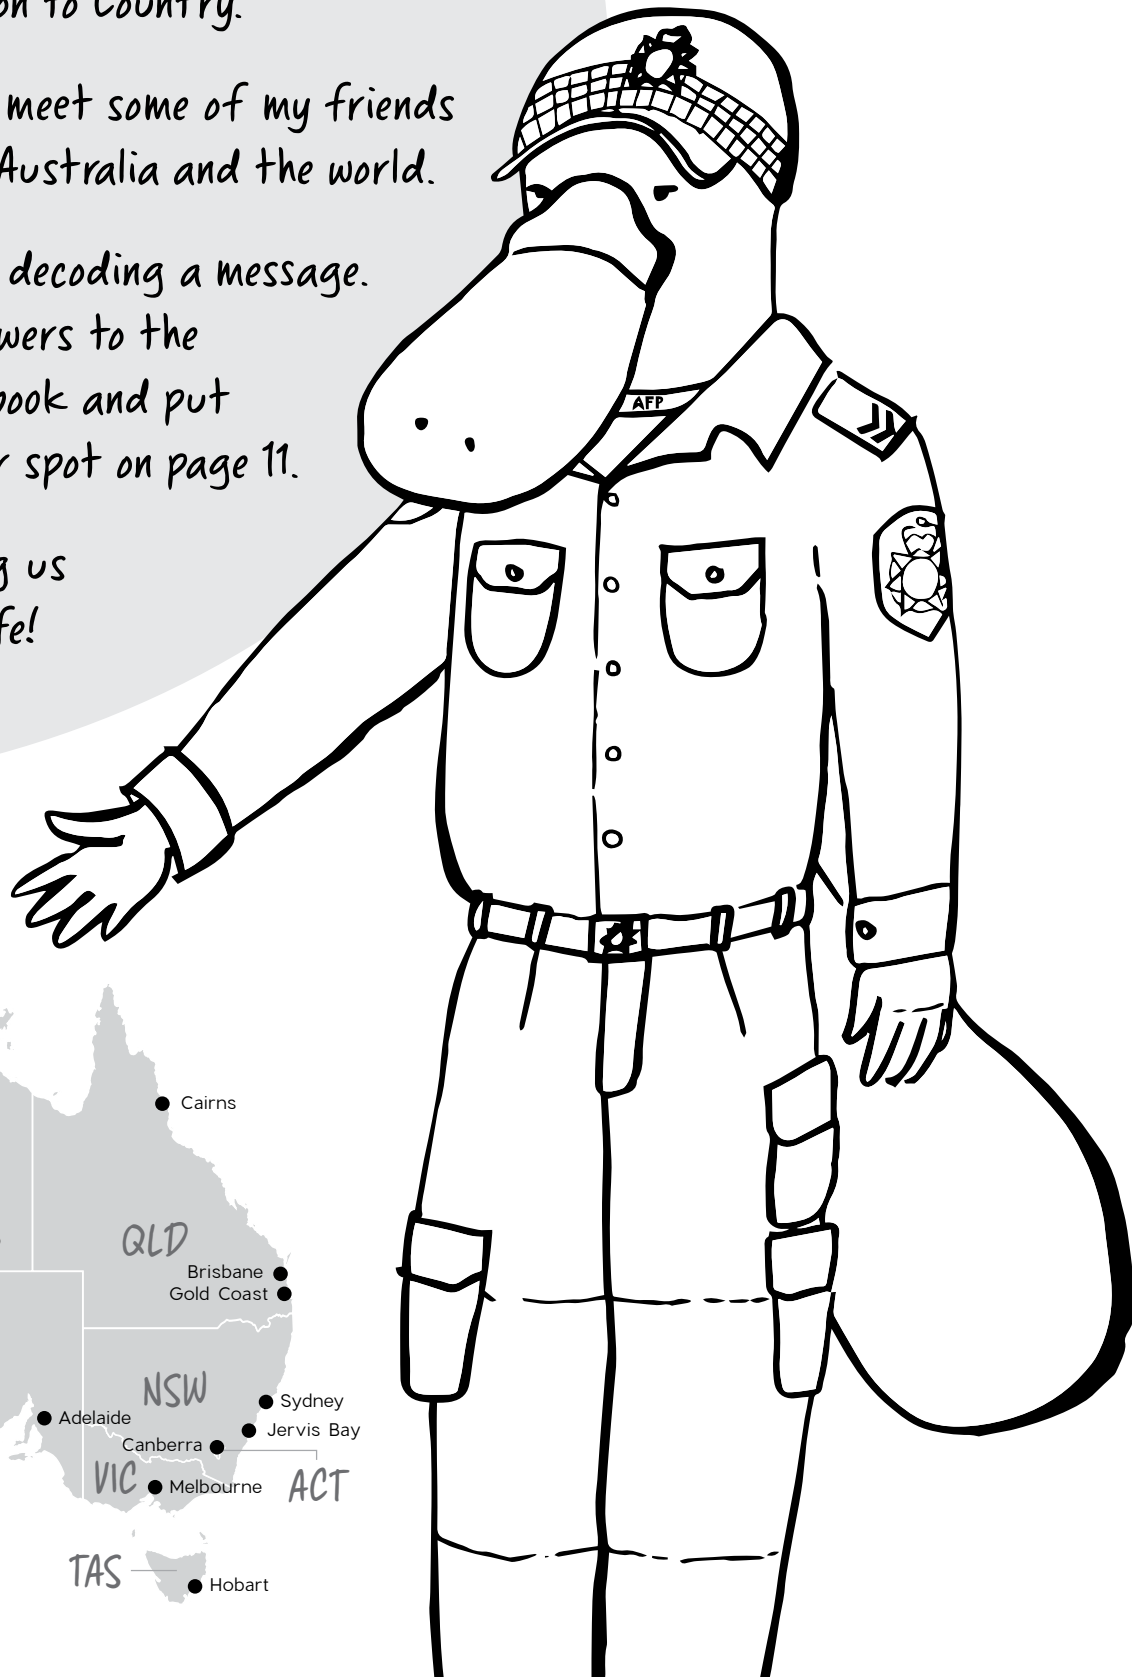

I'm **Senior Constable Paul the Platypus** and I work for the Australian Federal Police.

I pay my respects to the Elders of the past, present and future and acknowledge their spiritual connection to Country.

In this book you'll meet some of my friends who work around Australia and the world.

We need your help decoding a message. Work out the answers to the questions in this book and put the letters in their spot on page 11.

Thanks for helping us keep Australia safe!
