## **9. Work Health Safety and Rehabilitation**

### **WORK HEALTH AND SAFETY**

While on AFP deployment (including travel to and from), all work related incidents must be reported as soon as practicable by completing an AFP online Workplace Incident Report form (WIRF) or Hazard Report Form (via [Insight!](#) (Employee Actions)). Where the person affected is unable to complete the WIRF, another person (e.g. a supervisor or colleague) must complete the WIRF on their behalf.

If a worker does not have direct access to Insight! reporting, they must have the information entered by another person who has access to Insight! alternatively, complete a paper based WIRF available from WHS.

In the case of motor vehicle accidents involving AFP vehicles, the member must only complete a Workplace Incident or Hazard Report form where the incident results in injury/illness or has the potential to result in injury/illness.

## COMCARE NOTIFICATIONS

The [Work Health and Safety Act 2011](#) (Cth) requires that Comcare be notified of incidents that result in:

- the death of a person
- a serious injury or illness of a person
- a dangerous incident, and
- unintentional discharge of firearm.

The supervisor must notify Comcare immediately on 1300 366 979 of the death of a person, and submit a workplace incident report form via Insight! within 48 hours.

The AFP online Workplace Incident Report automatically notifies Comcare within two hours where one of these categories is selected.

If Insight! is not available, Comcare should be notified of the incident on 1300 366 979 and a workplace incident form submitted as soon as practical.

When Comcare have been notified, an internal WHS workplace investigation must be conducted. Please contact the Work Health and Safety hotline on [s 47E\(d\)](#) for further assistance.

## REHABILITATION

AFP appointees are covered by the *Safety, Rehabilitation and Compensation Act 1988* (SRC Act) and are entitled to lodge a claim for workers' compensation for injuries or illness sustained in the course of their duties or travelling on an approved work activity. For the purposes of the SRC Act, an injury is defined as:

- a disease contracted by an employee for which employment contributed to a significant degree
- a physical or mental injury (other than a disease) which arises out of, or during the course of employment
- an aggravation of a pre-existing physical or mental injury (other than a disease) that arose out of or in the course of employment.

## EARLY ACCESS

The Early Access Program can provide early and easy access to treatment and rehabilitation, including medical, psychological or vocational services.

To be considered for the EA Program, the following pre-requisites apply:

- The work-related injury must be clearly linked to AFP employment, and
- An incident report must be submitted for the injury via Insight! > Forms
- Medical certificate from a qualified registered medical practitioner

Expenses are the employee's responsibility in the first instance and will be reimbursed if the application for EA is approved. Medicare benefits are not payable for work-related injuries.

Please contact the Injury Management Team or the Rehabilitation Hotline.

## HEALTH INSURANCE

Private Health Insurance is a personal responsibility of the AFP Appointee while on deployment. Certain provisions are made for work related illness only. Private Health Insurers should be consulted to determine availability and coverage in the deployment location.

## 10. Security of Personal Effects

Responsibility for the security of personal laptops/tablets and other valuable and attractive items rests with the individual and private insurance coverage should be considered.

## 11. Further Location Specific Information

Whilst written primarily for members travelling on term transfer, specific location information for Norfolk Island can be found on the AFP Hub

As discussed by A/Supt s 22(1)(a)(ii) at last week's OC/MC, a current issue on Norfolk Island requires us to provide a surge capacity in the coming weeks. s 47E(d)

s 47E(d) The next sitting of the Norfolk Island Supreme Court is on Wednesday 13 September s 47E(d)

s 47E(d)

s 47E(d)

The period of deployment will be from s 47E(d)

I understand there was general agreement that the 6 members would be drawn from North, South and Road Policing – 2 members from each area. This short deployment will be a good reward for some well-deserving, hard working constables.

Happy to discuss further.

## 9. Work Health Safety and Rehabilitation

### WORK HEALTH AND SAFETY

While on AFP deployment (including travel to and from), all work related incidents must be reported as soon as practicable by completing an AFP online Workplace Incident Report form (WIRF) or Hazard Report Form (via Insight! (Employee Actions)). Where the person affected is unable to complete the WIRF, another person (e.g. a supervisor or colleague) must complete the WIRF on their behalf.

If a worker does not have direct access to Insight! reporting, they must have the information entered by another person who has access to Insight! alternatively, complete a paper based WIRF available from WHS.

In the case of motor vehicle accidents involving AFP vehicles, the member must only complete a Workplace Incident or Hazard Report form where the incident results in injury/illness or has the potential to result in injury/illness.

### COMCARE NOTIFICATIONS

The [Work Health and Safety Act 2011](#) (Cth) requires that Comcare be notified of incidents that result in:

- the death of a person
- a serious injury or illness of a person
- a dangerous incident, and
- unintentional discharge of firearm

The supervisor must notify Comcare immediately on 1300 366 979 of the death of a person, and submit a workplace incident report form via Insight! within 48 hours.

The AFP online Workplace Incident Report automatically notifies Comcare within two hours where one of these categories is selected.

If Insight! is not available, Comcare should be notified of the incident on 1300 366 979 and a workplace incident form submitted as soon as practical.

When Comcare have been notified, an internal WHS workplace investigation must be conducted. Please contact the Work Health and Safety hotline on s 47E(d) or further assistance.

### REHABILITATION

AFP appointees are covered by the *Safety, Rehabilitation and Compensation Act 1988* (SRC Act) and are entitled to lodge a claim for workers' compensation for injuries or illness sustained in the course of their duties or travelling on an approved work activity. For the purposes of the SRC Act, an injury is defined as:

- a disease contracted by an employee for which employment contributed to a significant degree
- a physical or mental injury (other than a disease) which arises out of, or during the course of employment
- an aggravation of a pre-existing physical or mental injury (other than a disease) that arose out of or in the course of employment.

### EARLY ACCESS

The Early Access Program can provide early and easy access to treatment and rehabilitation, including medical, psychological or vocational services.

To be considered for the EA Program, the following pre-requisites apply:

- The work-related injury must be clearly linked to AFP employment, and
- An incident report must be submitted for the injury via Insight! > Forms
- Medical certificate from a qualified registered medical practitioner

Expenses are the employee's responsibility in the first instance and will be reimbursed if the application for EA is approved. Medicare benefits are not payable for work-related injuries.

Please contact the Injury Management Team or the Rehabilitation Hotline.

## HEALTH INSURANCE

Private Health Insurance is a personal responsibility of the AFP Appointee while on deployment. Certain provisions are made for work related illness only. Private Health Insurers should be consulted to determine availability and coverage in the deployment location.

## 10. Security of Personal Effects

Responsibility for the security of personal laptops/tablets and other valuable and attractive items rests with the individual and private insurance coverage should be considered.

## 11. Further Location Specific Information

Whilst written primarily for members travelling on term transfer, specific location information for Norfolk Island can be found on the AFP Hub

Hi s 22(1)(a)(ii)

Thank you for your time. Please see attached the "press release" made by Leah HONEYWOOD.

Thanks,  
s 22(1)(a)(ii)

Australia Government to recolonise Norfolk Ailen and Norfolk Ailenders, has been unlawful and illegal which has resulted in numerous detrimental effects on the assets, traditions, culture, and way of life of Norfolk Ailen and the Norfolk Ailen people.

The true and lawful government of Norfolk Ailen is from what the Pitcairn Settlers (Pitcairn Islanders) brought with them – their own government, Constitution and Laws – to Norfolk Ailen on the 8th June 1856.

Chief Magistrate

Norfolk Ailen Government
