

Re: Number of reported incidents of burglary/theft from construction sites.

Please note: the RFI requested stats for 1 January 2022 to 30 June 2025. For our response, dates have been slightly amended to accommodate Monday to Sunday week ranges for the dates the incidents were reported to ACTP.

- Between 3 January 2022 and 29 June 2025, ACTP recorded 252 reported incidents of burglary/theft at construction sites in the ACT. (Some case officers may record a burglary/theft at a premises under construction that was at lock-up stage as a burglary at a 'house' rather than a 'building site'. These incidents are not included in this count or the below/attached statistics, as it would require manual interrogation of case narratives to confirm the location of the burglary.)
- 45 of the incidents had an offence with ANZSOC code 611 (aggravated burglary of a dwelling), 202 incidents had an offence with ANZSOC code 621 (aggravated burglary of a non-residential building), and 5 incidents had an offence with ANZSOC code 622 (non-aggravated burglary of a non-residential building).
- The locations of the incidents (by suburb and patrol zone) are detailed below. Patrol zone 1 = Belconnen, 2 = City, 3 = Tuggeranong, 4 = Woden, 7 = Gungahlin, 5 = Other
- The date the incident was reported to ACTP has been aggregated into weeks, and the counts for these weeks are given in the attached Excel spreadsheet.
- The time the incident was reported to ACTP has been aggregated into 4 x 6 hourly blocks (midnight – 6am, 6am to noon, noon-6pm, 6pm – midnight).
