📊 Your Results

If you answered **NO** don't worry!
You can build stronger online banking habits with ClickFit.

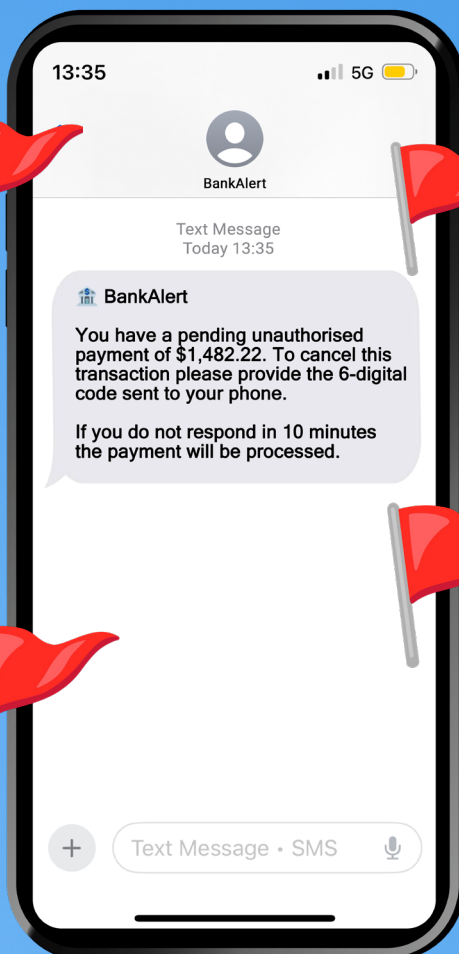

ClickFit takes **six simple steps** to help protect your bank account from cybercriminals.

Get ready to click-bank in six steps:

- 1 Stop, think before you click
- 2 Check with your bank directly
- 3 Protect your codes & passwords
- 4 Do not transfer money on request
- 5 Secure your accounts
- 6 Report immediately to bank

Check the digital banking blind spots

Demand immediate action

Request for passwords or codes

Ask to transfer or move funds

Unsolicited bank links, alerts or passcodes
