

Are You ClickFit to Invest?

👉 Stop your scroll 🔍 Check before you invest 🔒 Protect your savings

Do you trust “guaranteed” “low-risk” investment opportunities?

Do you invest online without checking for an ASIC licence?

Do you pay fees or taxes to unlock profits?

📊 Your Results

If you answered **YES** don't worry!
You can build stronger online investment habits with ClickFit.

ClickFit takes **six simple steps** before investing to help protect your money from cybercriminals.

Get ready to invest in six steps:

- 1 Stop before you send money
- 2 Check their financial licence
- 3 Protect yourself - by getting a second opinion
- 4 Verify independently
- 5 Don't trust the hype
- 6 Never pay to unlock profits
